Energizer will not be liable under these terms and conditions for any other loss, costs, claim, or damages that a customer suffers.

FRANCE

Terms and Conditions

Garantie : ne coule pas.*

Energizer réparera ou remplacera, à sa discrétion, tout appareil endommagé par une fuite des piles alcalines Energizer MAX® AA/AAA (avec une date limite d'utilisation de 2025 ou ultérieure) pendant une période maximale de deux ans après leur décharge complète. Si le remplacement exact n'est pas disponible, les appareils peuvent être remplacés par un produit d'une valeur marchande comparable au moment de la réclamation. La pile qui fuit et l'appareil endommagé doivent être fournis à Energizer comme preuve de réclamation. Energizer se réserve le droit de refuser toute réclamation pour des dommages causés par une mauvaise utilisation ou une modification des piles ou de l'appareil. Si vous avez une pile qui fuit, contactez consumer.serviceEU@energizer.com pour obtenir des instructions de retour. Energizer ne sera pas responsable, en vertu des présentes modalités, de toute autre perte, coût, réclamation ou dommage subi par un client.

GERMANY

Terms and Conditions

Kein Auslaufen – Garantiert*

Energizer repariert oder ersetzt, nach unserem Ermessen, jedes durch Auslaufen aus Energizer MAX® AA/AAA-Alkalibatterien (mit einem Nutzungsdatum bis 2025 oder später) beschädigte Gerät bis zu zwei Jahre nach vollständiger Entladung. Ist kein exakter Austausch möglich, können die Geräte durch ein Produkt mit einem vergleichbaren Marktwert zum Zeitpunkt der Inanspruchnahme ersetzt werden. Ausgelaufene Batterie und beschädigtes Gerät müssen Energizer als Nachweis zur Verfügung gestellt werden. Energizer behält sich das Recht vor, Schadenersatzansprüche abzulehnen, die durch Missbrauch oder Modifikation der Batterien oder des Geräts verursacht wurden. Wenn Sie eine ausgelaufene Batterie haben, wenden Sie sich bitte an consumer.serviceEU@energizer.com für Rückgabeeweisungen. Energizer haftet nach diesen Bedingungen nicht für andere Verluste, Kosten, Ansprüche oder Schäden, die einem Kunden entstehen.

Terms and Conditions

Energizer kommer att reparera eller byta ut, efter vårt val, enheter som är skadade till följd av läckage från Energizer MAX® AA/AAA Alkaline-batterier (med ett "använd före"-datum år 2025 eller senare) i upp till två år efter komplett urladdning. Om en exakt ersättning inte finns tillgänglig kan enheter ersättas med en produkt av jämförbart marknadsvärde vid ersättningstillfället. Läckande batterier och skadade enheter måste skickas till Energizer som bevis. Energizer förbehåller sig rätten att neka ersättning vid skador som uppstått på grund av felaktigt bruk eller modifiering av batterierna eller enheten. Om du har ett batteri som läcker, kontakta consumer.serviceEU@energizer.com för instruktioner om hur du skickar tillbaka batteriet. Energizer ansvarar inte genom dessa villkor för andra former av förluster, kostnader, anspråk eller skador som kunden kan uppleva.
